

The Humane Society of Bay County was formed in November 1984 by a group of concerned citizens who recognized a need within our community. Since that time, this organization has acted as the animal advocate in our community. Your support continues to be our inspiration as we look forward to a future of improved welfare for all animals.

Mission: The Mission of the Humane Society of Bay County is to save, protect and enhance the lives of animals in Bay County.

Vision of the future: The Humane Society of Bay County partners with Bay County's No Kill Shelter and is the community's "One Stop" organization for all animal-related needs.

- Values:**
- 🐾 All animals' lives are valued
 - 🐾 No Kill Shelter for Adoptable Animals
 - 🐾 Affordable/Free Spay and Neutering Program
 - 🐾 Educational Programs at all levels throughout Bay County

Looking for a pet?

The Humane Society is not a sheltered organization and does not foster pets; so if you are looking for a pet, stop at the Bay County Animal Control and Care Center. There are always wonderful animals available who are looking for loving, forever homes. Our programs are operated solely by volunteers and totally supported through fundraising efforts and donations in kind.

Events are held throughout the year to support Humane Society programs. For more information about our activities, access our events and newsletter by going to our website at: www.humanesocietybaycounty.org.

The Humane Society of Bay County is an established 501c3 non-profit organization; your donation is tax deductible. Donations can be made "In Memory Of" or "In Honor Of" a special person(s), pet, special occasions, acts of kindness or any special reason that holds a place in your heart or memory. Your gift will help animals by supporting the purpose and goals of the Humane Society. We are committed to the responsible stewardship of donated funds.

Meetings are open to the public and are held at 6:30 PM on the third Thursday of each month at the Bay County Animal Control and Care Center, 800 Livingston Ave., Bay City, Michigan. Please join us!

Spay/Neuter/Vaccinations:
"To neuter or spay is the kindest way". The Humane Society of Bay County has made arrangements with veterinarians in the Tri-cities area to offer reduced fees for sterilization and vaccinations. A Spay Neuter Pamphlet with a list of participating veterinarians, the price and the certificate to be taken to the veterinarian can be printed from our website. If you have additional questions call (989) 893-0451.
